THE COMPANY

OMOFURE INTERNATIONAL LIMITED

is a privately owned Nigerian company duly registered with CAC [RC 1258205] on the 4th of May 2015.

We are a full oilfield engineering company providing professional engineering-civil, electrical and mechanical, procurement, environmental, maintenance services, oil facility surveillance, pipeline, sewage evacuation and disposal, road construction, manpower supply and equipment leasing services to the Nigerian energy, oil and gas industry.

At Omofure, we pride ourselves in challenging the norms to produce cost effective, ground breaking solutions that save time and brings added value to our clients.

Our highly motivated and dedicated workforce is committed to responding quickly and efficiently to our clients' requirements without compromising safety.

OUR PROMISE

"Enabling our clients to overcome their challenges and improving performance is our focus. Our core drives hence includes; Integrity, Innovation, quality and result focused. We aspire to help our clients achieve their goals by providing qualitative and first class services according to standard and specification at a very considerate and competitive cost".

MISSION

To market and deliver sound and efficient services in Engineering, Oil facility surveillance, and equipment leasing services, safely, reliably and profitably, growing our company and its people to their full potential and partner with all our clients in the sustainable development of Nigeria's oil and gas and construction industry and of our host communities.

VISION

Our vision is to be a global company, renowned for its operational excellence, cost leadership, high HSE standards and for honesty and integrity. We will be helping build a better Nigeria by utilizing our resources and helping to clean up the environment.

CORE VALUES

INTEGRITY

We are committed to conduct ourselves in a manner consistent with the highest standards of integrity. We are honest, ethical and fair in all our activities. We keep our word, deliver on our promise and acknowledge our mistakes.

QUALITY

We want to create something worth creating, that will endure the test of time. We do this by relentlessly focusing on our customers' success, building high quality systems, and planning for long term scale.

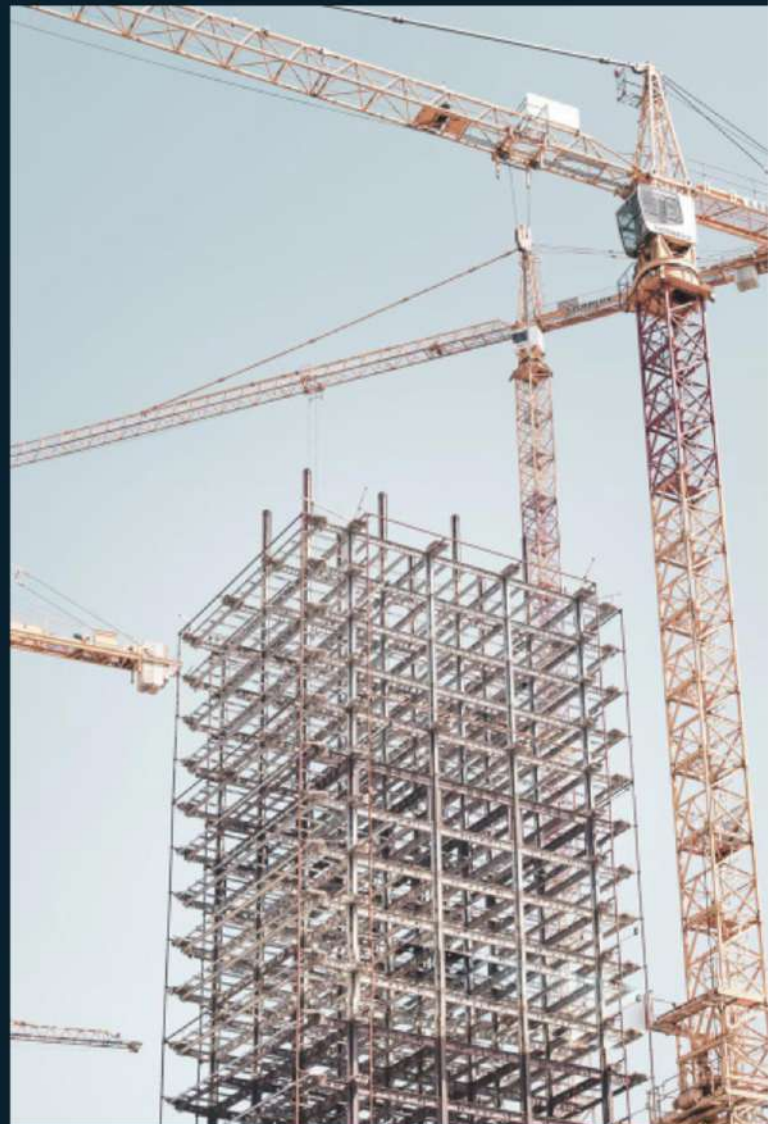

INNOVATION

We constantly strive to redefine the standard of excellence in everything we do. Therefore, we are open to ideas that challenge the conventional views and drive innovation.

SAFETY

We believe in providing a safe and secure working environment, free of injuries, accidents and unsafe acts.

FROM THE CHIEF EXECUTIVE

For many years we conceived the idea of building a company that would set unbeatable standard in the provision of excellent and satisfactory services both in Nigeria and outside the shores of the country.

On the 4th of May, 2015, the company known as Omofure International Limited was incorporated. With a vision to deploy our expertise, develop technology that would overcome complex challenges for our clients.

We would succeed by hiring the best people, training them in the best practices and providing them with the best tools to become pioneers in thier own duties.

We promise to be steadfast in our service to offer innovative solution with value and excellence.

MATTHEW AFURE OMOVEVAH
MD/CEO
OMOFURE INTERNATIONAL LIMITED

POLICY STATEMENTS

COMMUNITY RELATION

At Omofure, we regards the host communities as partners in progress and as indispensible factors as far as the company's operation are concerned. This is because activities can only thrive where peace and unity co-exist.

In other to pursue mutually beneficial relations with host communities, Omofure International Limited shall:

- Continuosly assess and abate the social and economic impact of our business activities by taking needed preventive in an appropriate and timely manner.
- Liaise with our clients' representative(s) in handling community problems that may arise.

HEALTH, SAFETY & ENVIRONMENTAL POLICY

We are committed to:

- Comply with relevant national and international legislations and standards.
- Attaching utmost importance to safety and taking adequate precautions.
- Minimize or eliminate environmental adverse impacts caused by company activities.
- Ensuring that no work will take priority over HSE.

WATSE MANAGEMENT POLICY

Omofure International Limited shall comply with Nigerian Environmental laws for the handling, storage and shipping of products and spares that can generate hazard waste. In all cases the most stringent enforcement policy shall prevail.
